

REMARKS

Applicant submits this amendment in reply to a Notice of Allowance mailed on November 27, 2006. Applicant has amended claim 34 to correct an obvious typographical error. In claim 34 the preamble included the word "method" instead of "system."

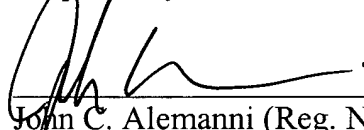

It is respectfully requested that Examiner enter the foregoing amendment. The foregoing amendments add no new matter and should require no substantial additional work on the part of the United States Patent and Trademark Office.

Should the Examiner have any comments, questions or suggestions, he is courteously requested to telephone the undersigned at the number listed below.
